

How Might the Pandemic Change the World Economy: Peering into the Future

Kaushik Basu

Cornell University, Ithaca and New York

INET Lecture

August 6, 2020

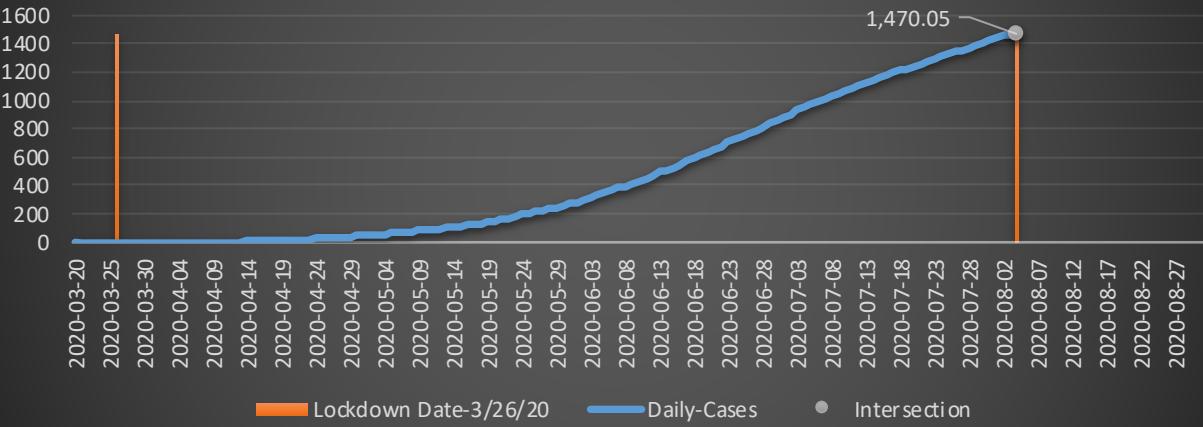

Crude Mortality Rate (CMR), August 4, 2020

COVID-19 deaths per one million population

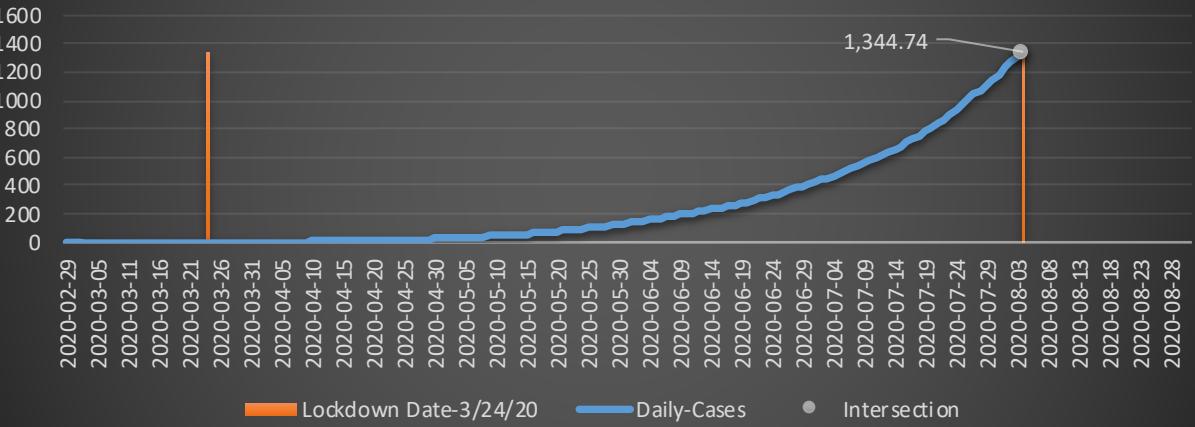

Country	Deaths	Country	Deaths
Belgium	850	India	28
UK	682	Pakistan	27
Spain	609	Bangladesh	20
Italy	582	Japan	8
USA	484	Kenya	7
Germany	110	China	3
Denmark	106	Ethiopia	3
Russia	98	Sri Lanka	0.5

South Asian Countries Cases Per Million

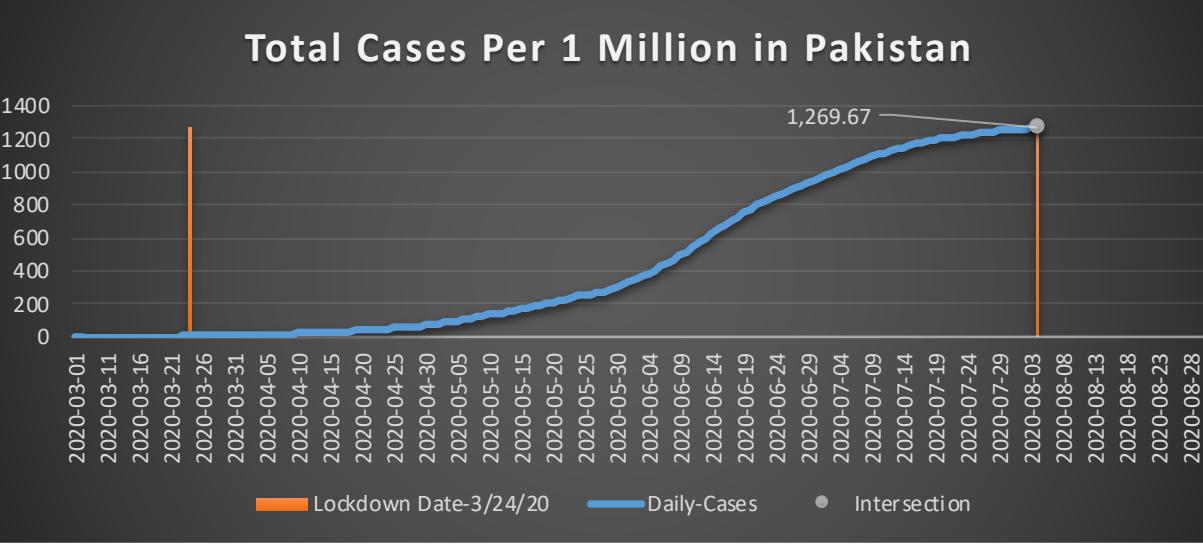

Total Cases Per 1 Million in Bangladesh

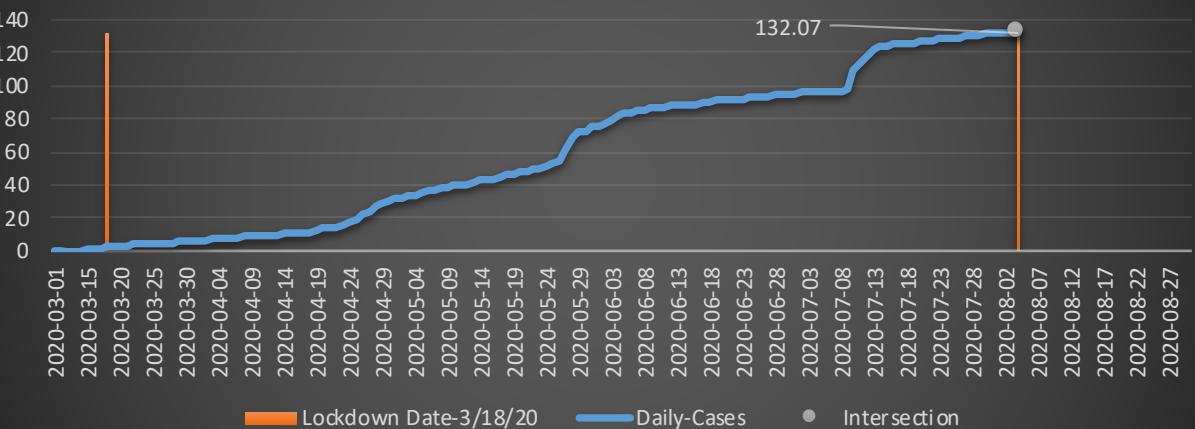

Total Cases Per 1 Million in India

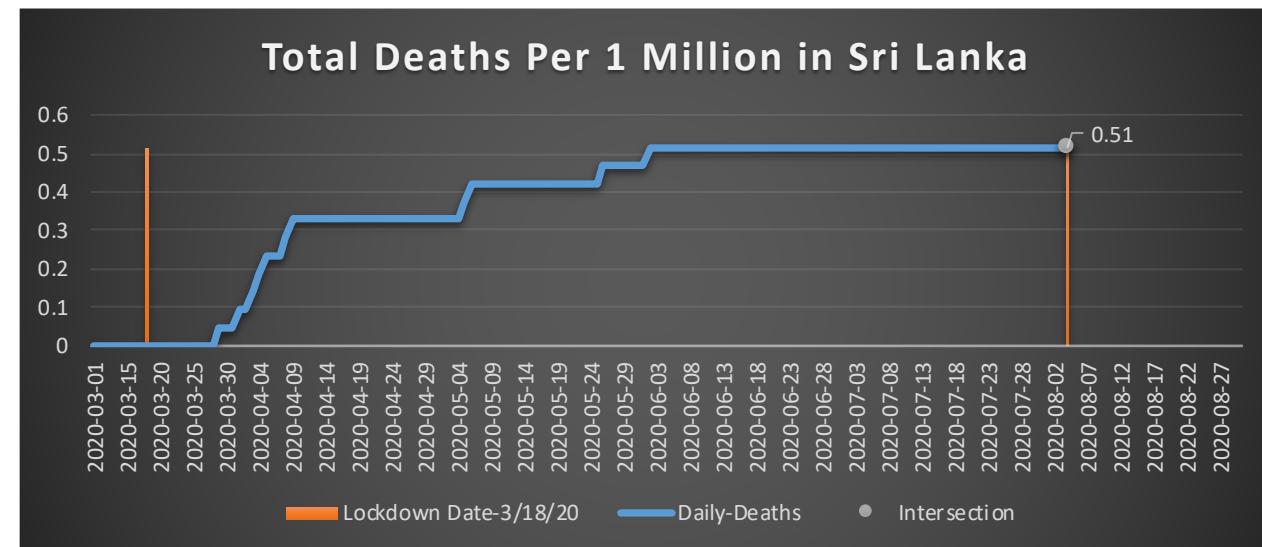

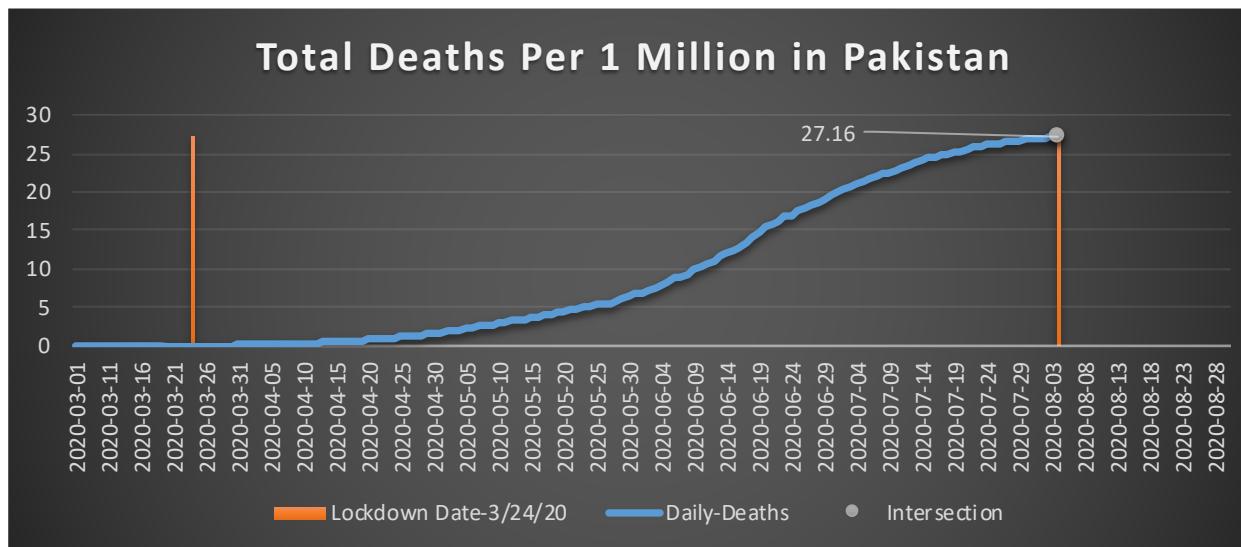

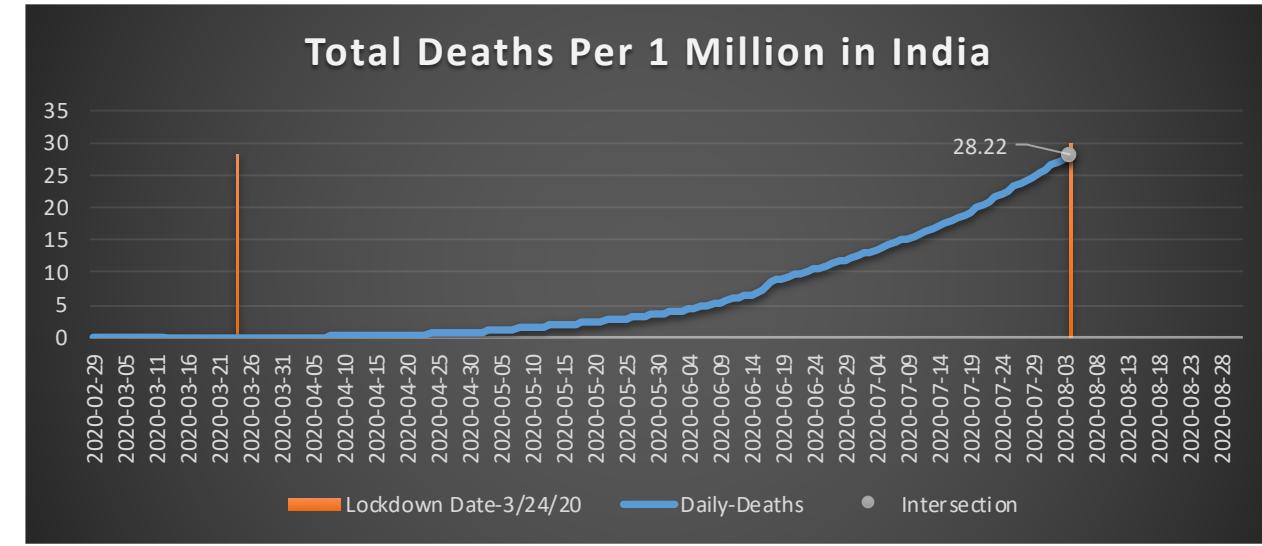

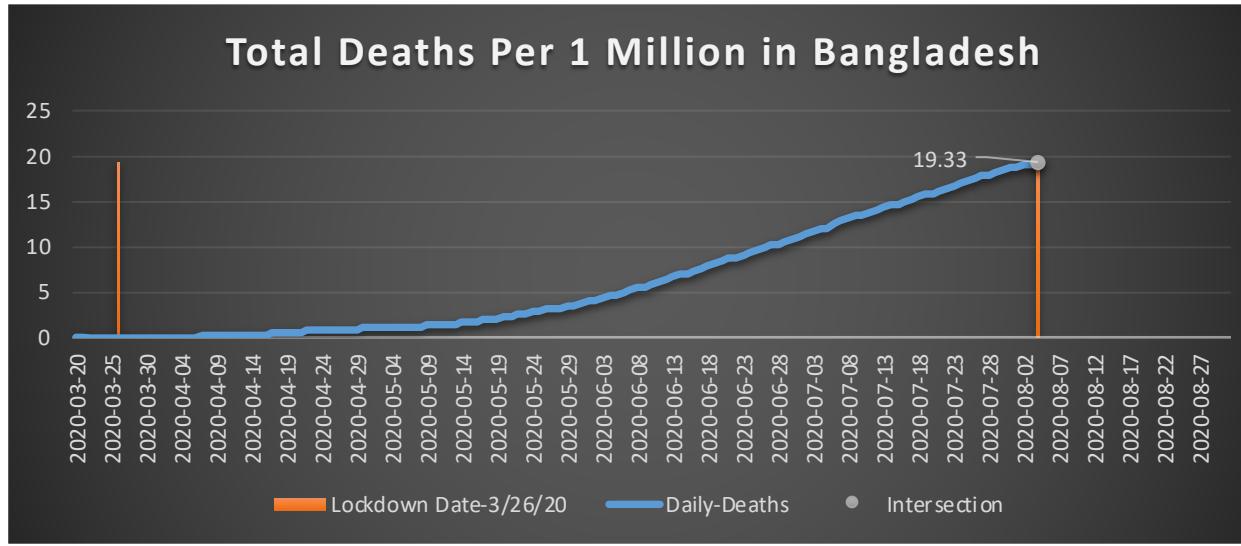

Total Cases Per 1 Million in Pakistan

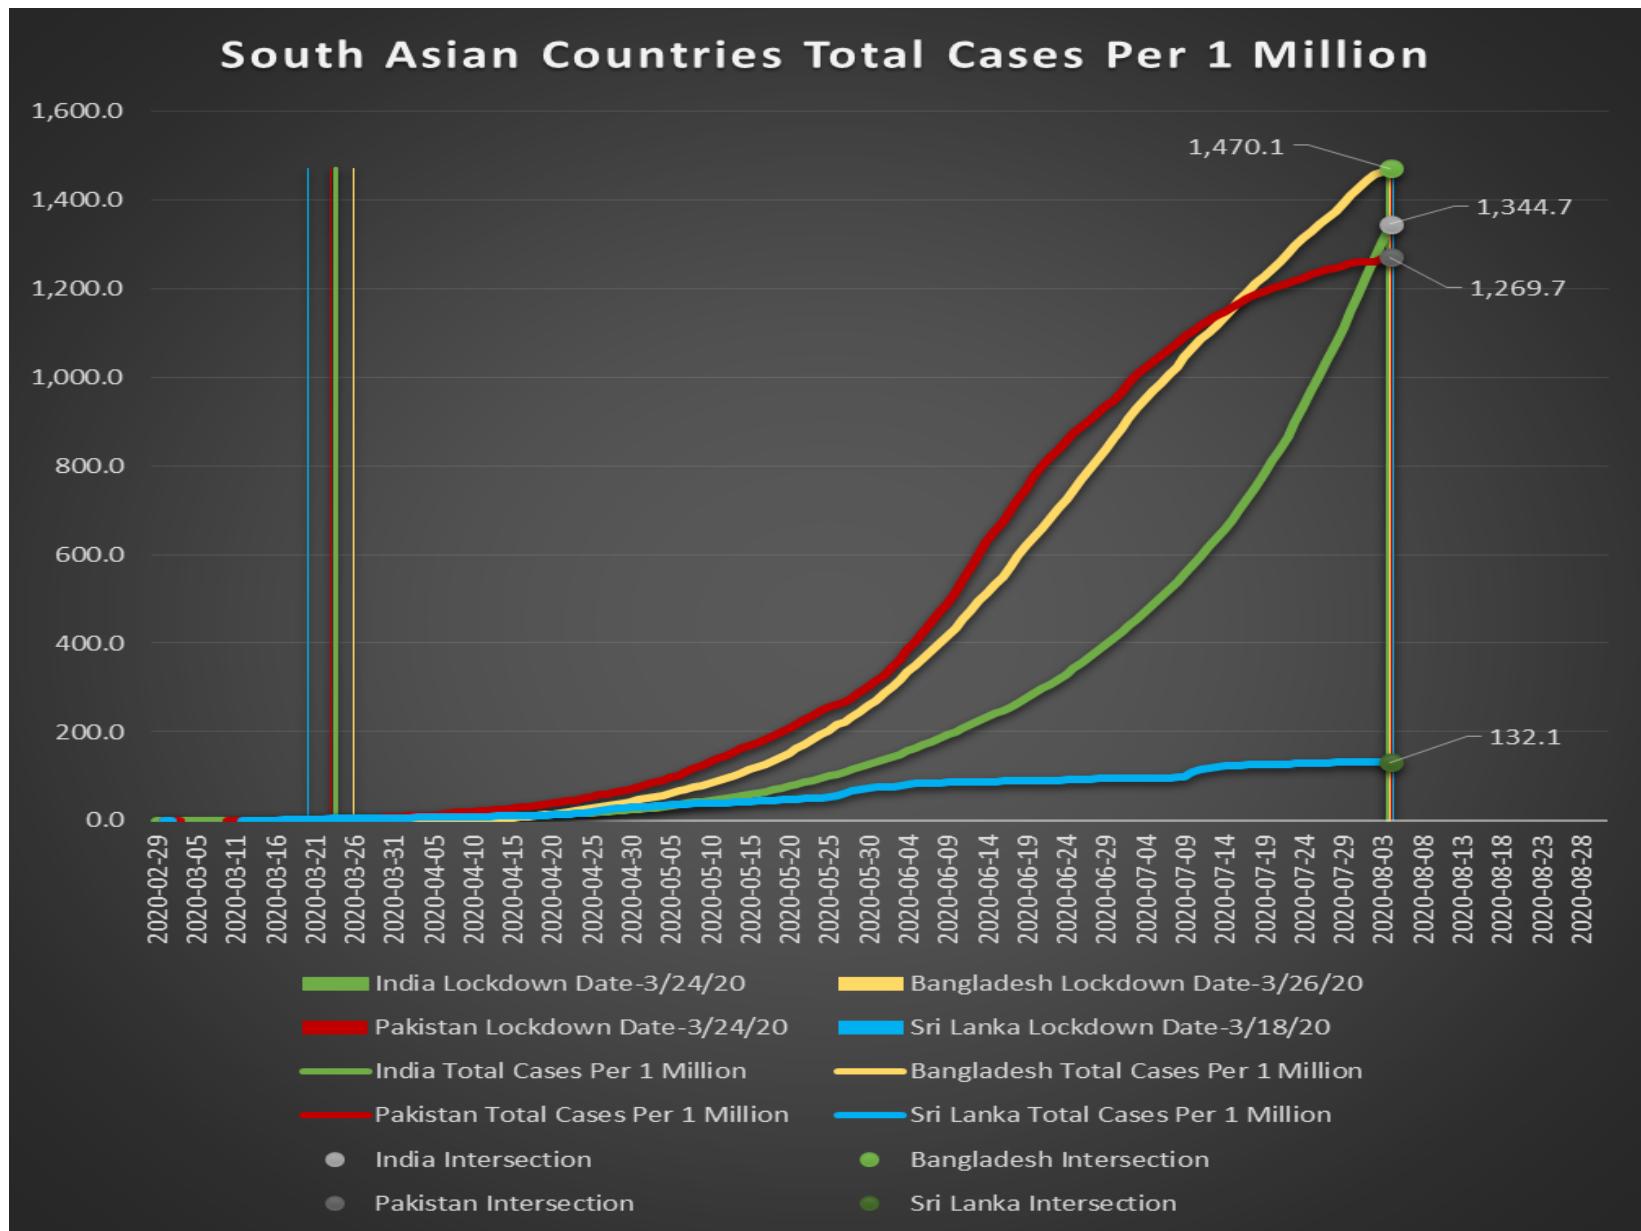

Total Cases Per 1 Million in Sri Lanka

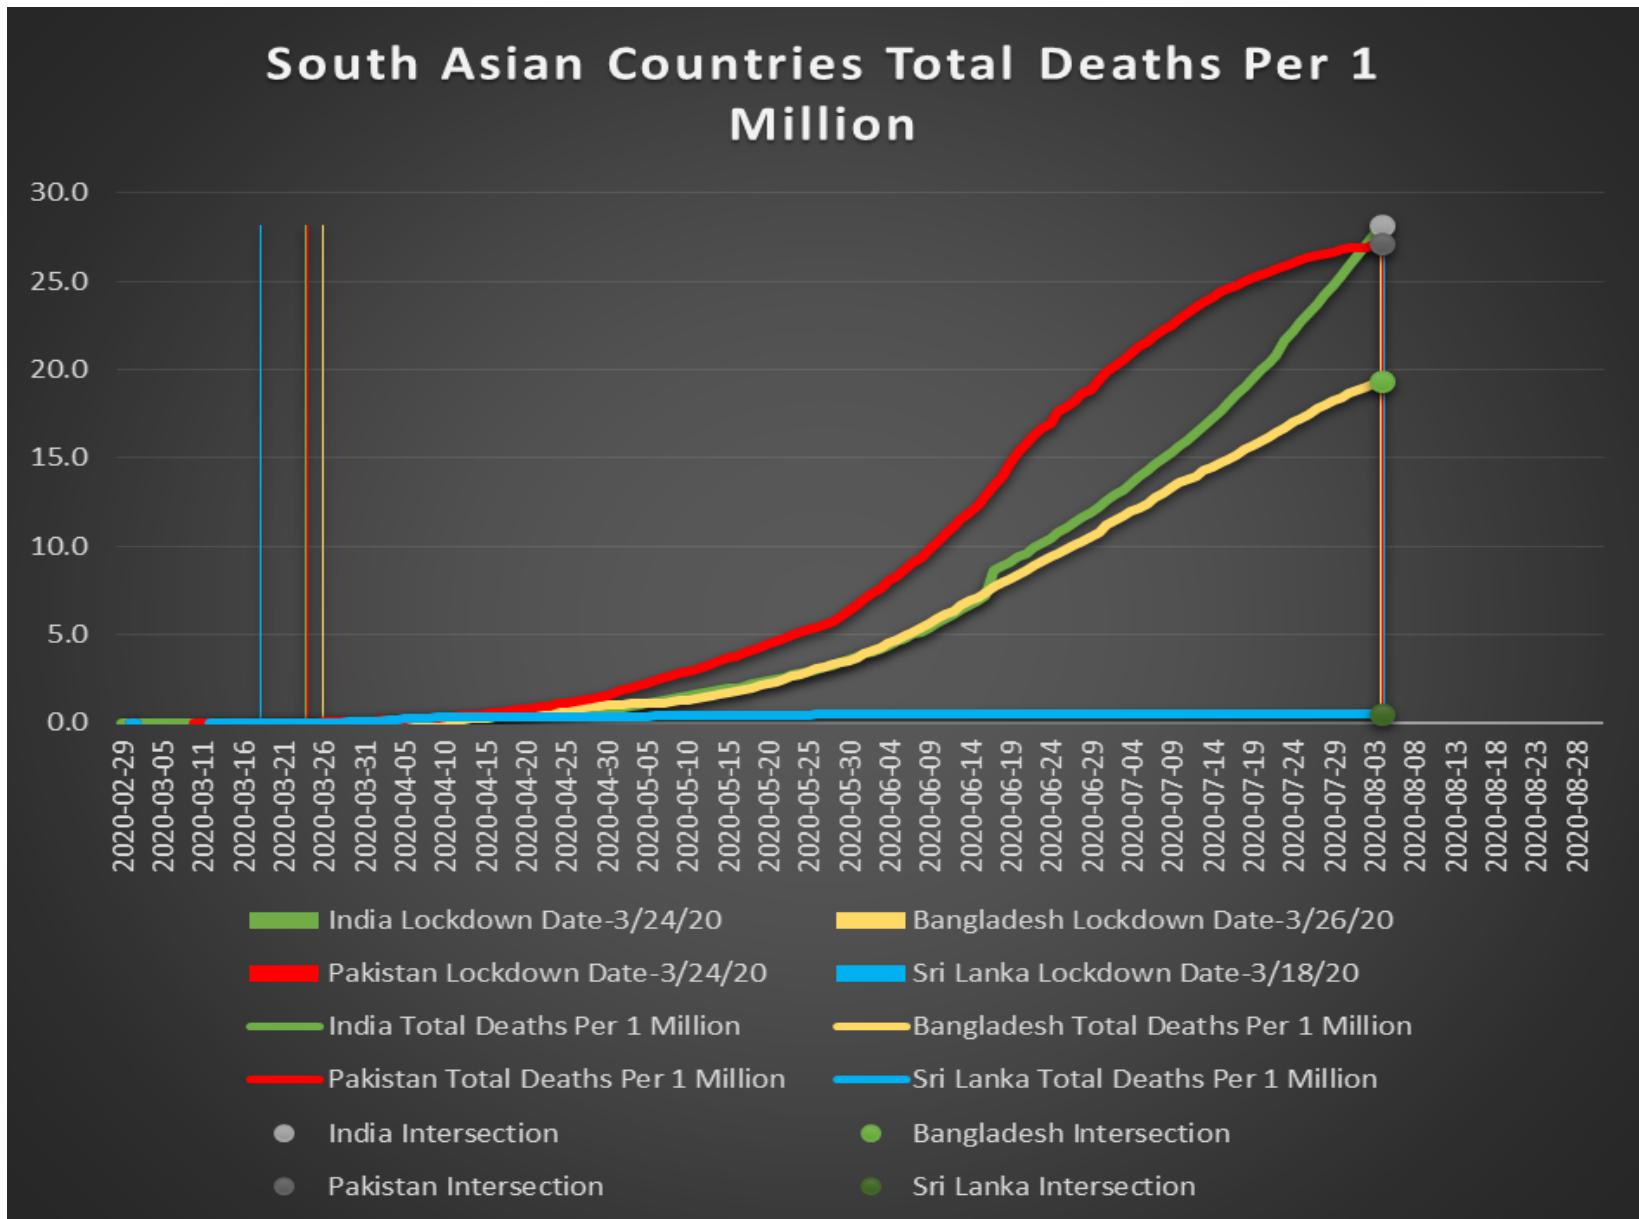

South Asian Countries Deaths Per Million

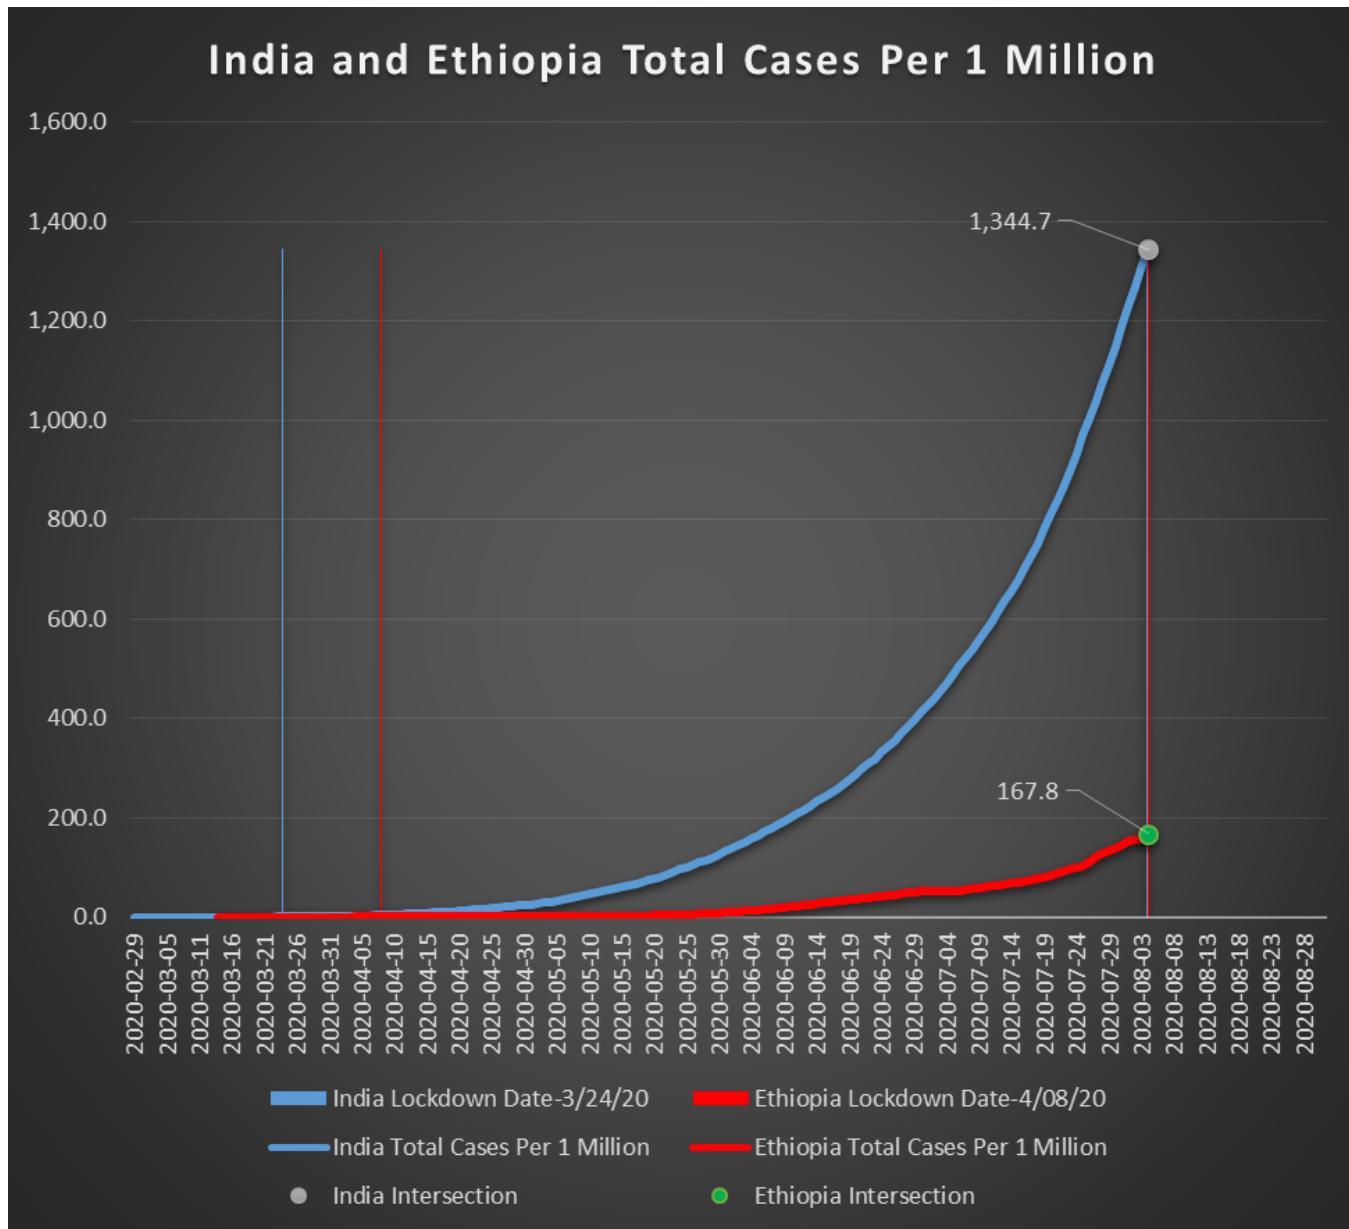

South Asian Countries Cases Per Million Combined

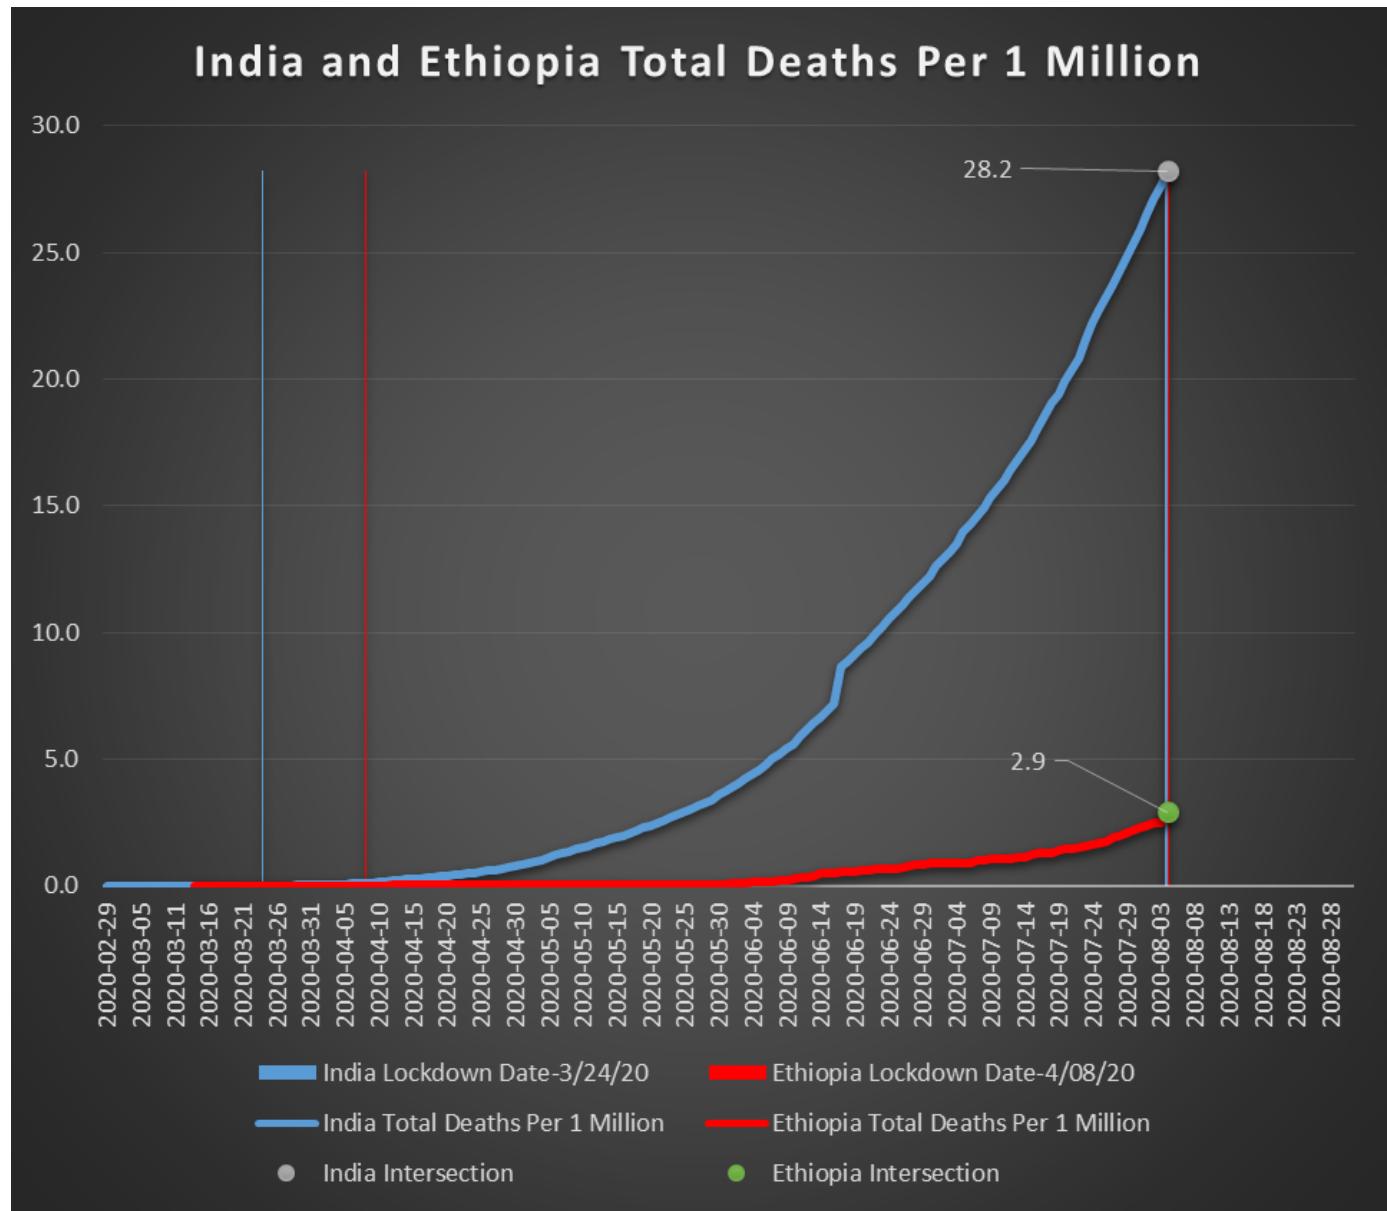

South Asian Countries Deaths Per Million Combined

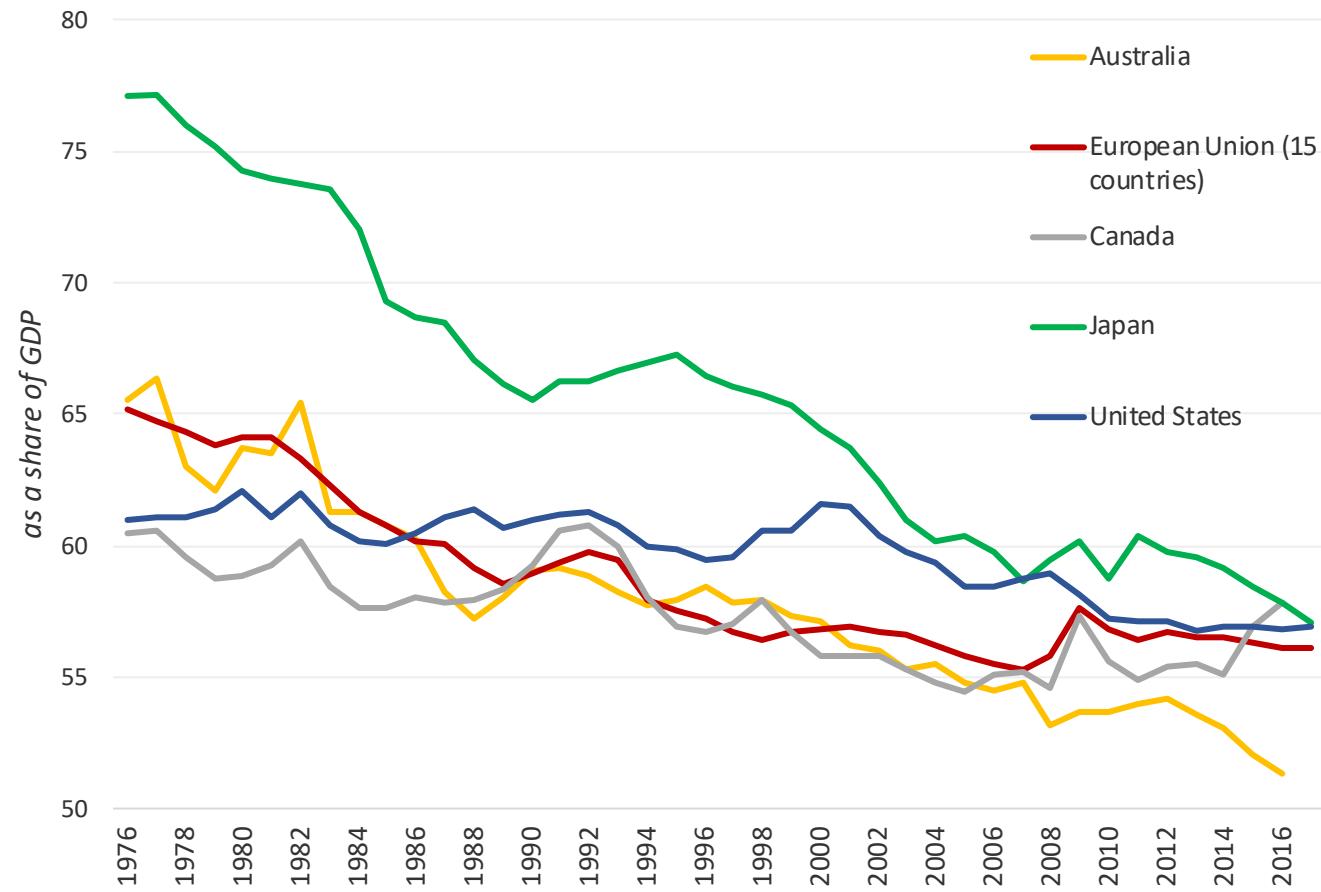

Ethiopia and India Cases Per Million Combined

Ethiopia and India Deaths Per Million Combined

Falling wage share of GDP
